

Winter HEFF 2017/18

Workshop Programme and Evening Entertainment

Sunday 31st December

Arrival and Evening Entertainment

16:00 **Arrival and Welcome**

16:30 Welcome Films The Media Suite

19:00 to Late **The Winter HEFF HOOTENANNY!** **Berwyn Room**

*We really want the **Winter HEFF Hootenanny** to be a fabulous Family Friendly, fun for all evening, to end 2017 with a Bang! Bring along your own indoor picnic, decorate your own tables and join in the fun with other HEFFers decorating theirs. Do bring along alcoholic drinks to enjoy (if you're an adult), but bear in mind the family friendly ethos of the event. Bring your voice, your instruments and anything to make a noise for the Children's Sing-along / Play-a-long and the Late Night Sing-along / Play-a-long to be hosted by You Ukes. Also, bring your jokes, stories, experiences and reflections from 2017 to share with your fellow HEFFers – Shirley will be roving with her Mic! For those with smaller children, we'll be setting up an area in the adjacent room for little ones to put their heads down, before they re-join the fun. Just bring along some bedding and you'll be able to lay them down and continue partying.*

19:00 **Welcome to the HEFF Community Indoor Picnic and New Year's Eve Party**

We'll start gathering in the Berwyn Room, decorating our tables, setting up our picnics, re-acquainting ourselves with old friends and meeting new ones

19:45 **Children's Sing-a-long / Play-a-long**

You Ukes will host a children's sing-a-long / play-a-long. Bring along your instruments, your voices and anything that makes a noise.

21:00 **DJ Freddie Gets the Party Going**

Freddie will get the party going and get us all bopping along in preparation for the Hootenanny.

22:00 **The HEFF Hootenanny**

Welcome in the New Year with a Jools Holland inspired Hootenanny. You Ukes will lead a Sing-a-long / Play-a-long set, interspersed with interviews, jokes, stories and reflections on 2017 from you all.

0:15 **DJ Paolo on Disc**

Party into the small hours with a specially prepared set from DJ Paolo.

Monday 1st January
