

HEFF 2019 WORKSHOPS AND EVENTS (CHRONOLOGICAL)

Welcome to the draft schedule for HEFF 2019. You can link to the different pages by clicking the relevant day below, or you can simply scroll through the whole document to see things as they happen.

Films are yet to be finalised, hence the instruction to see the whiteboard outside the Cedric Ford Pavilion for that day.

Some workshops have a maximum number of participants. This will be decided on a 'first come, first served' basis by means of a sign-up sheet. These sheets are held in the HEFF Office within the Cedric Ford Pavilion, therefore participants must book a session in advance by attending the office before the workshop is to be held.
